

Sundae

WINES

Just as the layers of a sundae enhance the perfect scoop of ice cream, our Pinot Noir delivers decadent flavors on top of an already perfect Pinot. Hints of strawberry and raspberry brighten the smooth, shameless undertones of creamy vanilla, rendering a velvety and complex wine. The layers of cream and fruit unfold with each sip, creating a flavor experience as pleasurable as a classic sundae with a cherry on top.

Fulfill your lighter side of indulgence with Sundae Chardonnay, a delectable white wine layered with the flavors of a caramel sundae. As you tip your glass for each sip, warm undertones of baked apple and vanilla cream are drizzled with caramel flavor. Yielding a perfect harmony of complexity, this wine will bring you back in time to recall the day you made the perfect sundae.

Sundae Wines deliver everything you'd expect from Napa wines. They are products of collaboration between truly passionate wine lovers and makers who dedicated their time to creating truly indulgent and palatable wines. Drawing on the dynamic simplicity of an ice cream sundae, Sundae Wines boast layers of flavors that come together for the perfect sip, from the voluptuous yet refreshing Chardonnay to the seductive Pinot Noir. Never too sweet, these wines will take you back to the simple perfection that was the ice cream sundae, one perfectly indulgent sip at a time.
