

VIVA LA VIDA

Pinot Noir Rosé Cava

Viva La Vida is the result of an epic two year-long global search for the perfect sparkling wine. After tasting hundreds of qualified sparklers from all over the world, we finally found what we were looking for from a small family run, single vineyard estate in the heart of Penedès, just outside Barcelona, Spain. It's made from 100% Pinot Noir, it's method, and it tastes like a \$75 Grower's Champagne at a fraction of the cost. Goodbye Prosecco... This is a lifestyle brand and it is about living life 100% with style and swagger.

This wine is for the dreamer, the traveler, and the boho jet setter in all of us. This wine is for pool parties, bottle service, beaches, Monday's and rainy days. This wine is to share with friends – or steal from them. It's for you, the artist and the poet. It's for the closers and openers. It's for after dark, afternoon and after... It's for all of us. The bottle is the occasion? Don't wait for it; seize the day with both hands.
